## VISION

- Encouraging quality academic milieu to help students realize their intrinsic potential through a continuing commitment to world class academic standards.

## MISSION

- To empower students and enable them to rise above all constraints.
- To impart quality education that has holistic application in totality of life.
- To provide value-based learning that has far greater relevance in a dynamic and ever-changing work environment.
- To produce graduates capable of responding to the challenges of life in every possible way.
- To ensure punctuality and discipline in the college.
- To strengthen the infrastructure of the college.

## OBJECTIVES

- To provide quality education and create lifelong opportunities for all to prepare young students to thrive and compete in the new digital age.
- To encourage innovations and innovative mindsets with strong academia and industry commitment for acquiring and upgrading their skill according to societal needs.
- To promote local languages, literature, music, art and craft with the active partnership and engagement with community and the society.

## About the College

Government Degree College Jammu City, Paloura was established vide Government Order No. 269-HE of 2007 dated 20-12-2007 under the Prime Minister Reconstruction Plan (PMRP) and it was decided that the college would function in a newly constructed block of the Government Higher Secondary School, Paloura having two rooms. With the passage of time, requirements of the college increased and the authorities decided to shift the college from Higher Secondary School, Paloura to Govt. College of Engineering and Technology (GCET), Old University Campus, Canal Road, Jammu and subsequently the same got shifted to the said location on 6th of Oct. 2009. It continued to function in makeshift accommodation at Canal Road, Jammu till March 2018. The main building of the college was constructed in April, 2018 and to take education to the doorsteps of the people residing in the peripheral and far flung areas of the UT, the college was shifted to the newly constructed campus and since then it is functioning from its own campus at Assarwan, Mishriwala in Tehsil Bhalwal under the jurisdiction of district Jammu. In the year 2011, the college got sanction for introduction of science stream (Medical, Non-Medical) from the Department of Higher Education, Jammu and Kashmir, Vide Order No. 246-HE of 2017 dated 25.04.2017 with the affiliation to University of Jammu. GDC Paloura is a co-educational institution; recognized by UGC under section 2 (b) and 12 (f) of UGC act 1956. The college has successfully implemented NEP 2020, from 2022- 2023 session as per the guidelines of University of Jammu. The college offers courses in Arts and Humanities; Social Sciences and Science Stream.

Since, Govt. Degree College, Paloura, aims for a holistic all-round development of its students so they are encouraged to participate in curricular and co-curricular activities. The college conducts community outreach programmes through NCC, NSS, Yuva Tourism Club, Eco-Club, Red Ribbon Club etc. to empower the marginalised and downtrodden section of the society. The college is proud of its qualified, competent and dedicated staff. Apart from teaching and academic work, the teaching faculty of the college organizes and takes part in national, international seminars, workshops and conferences. To keep themselves upgraded the faculty of the college also attends refresher, orientation and faculty development programs.

The college has a lush green and well maintained pollution free, eco-friendly and clean campus spread in 7 acres. The whole campus is wifi connected along with CCTV surveillance to ensure the safety and security of the students and also to ensure effective administration. The main building of the college comprises of 8 lecture halls, 5 laboratories, 1 first-aid-center and a well equipped library having books of different subjects. The college has taken digital initiatives by providing interactive panels in five class rooms and has also established one browsing center.

The college has a newly constructed academic block having 8 lecture halls and 4 laboratories. A new toilet block has also been made functional. As the college continues to expand and develop, a girl's hostel with accommodation capacity for 270 girls and a canteen facility are expected to become operational soon.

# PRINCIPAL'S MESSAGE

It gives me immense pleasure to extend my warmest greetings to the entire college community through this edition of our newsletter. A newsletter is more than a compilation of events and achievements; it is a reflection of our collective journey, aspirations, and accomplishments.

Our institution remains steadfast in its commitment to fostering academic excellence, intellectual curiosity, creativity, and character. The remarkable achievements of our students in academics, co-curricular activities, sports and community engagement are a testament to their perseverance, dedication, and determination.

I also take this opportunity to express my sincere appreciation to our faculty and staff, whose unwavering commitment and guidance continue to inspire our students and strengthen the academic environment of the college.

As we move forward, let us continue to cultivate a culture of excellence, inclusivity, innovation, and mutual respect. May our students remain curious in thought, resilient in adversity, and purposeful in action. Let us work together to transform challenges into opportunities and aspirations into meaningful achievements.

I am confident that, with collective effort and a shared vision, our college will continue to reach new heights and make a lasting contribution to society.

I wish the newsletter continued success and hope that it serves as a source of inspiration, pride, and encouragement for the entire college community.

With best wishes

**Dr. Savi Behl**  
**Principal**

## CONVENER'S MESSAGE

Working for this Newsletter has been such an enriching experience. As I look back at the numerous activities and events conducted throughout the year, I feel a deep sense of happiness and nostalgia remembering the zeal with which students and staff participated in every endeavour. This Newsletter is not merely a record of events; it is a beautiful reflection of the vibrant life of our institution. This year feels even more special as we bid farewell to the first batch of students graduating under National Education Policy 2020. Watching them grow, evolve and complete this important journey has been a memorable experience for the entire college family. Their achievements, participation and countless memories have added a unique chapter to the story of our institution and will always remain close to our hearts.

I warmly invite readers to turn these pages and relive this wonderful bonanza of academic, cultural, literary and co-curricular activities that have added colour and meaning to the campus life. This Newsletter also proudly showcases the remarkable achievements and contribution of our students and faculty members. Every accomplishment reflected in these pages is a source of pride and inspiration for the entire college fraternity.

I express my heartfelt gratitude to worthy Principal Madam, Dr. Savi Behl for the constant encouragement, guidance and support extended at every step. I also thank all members of the Newsletter Committee.

I hope this Newsletter brings a smile to every reader and rekindles many cherished memories associated with GDC Paloura.

Happy and Delightful Reading.

**Prof. Geetanjali Multani**  
**Convener, Newsletter Committee**
