VISION

Encouraging quality academic milieu to help students realize their intrinsic potential through a continuing commitment to world class academic standards.

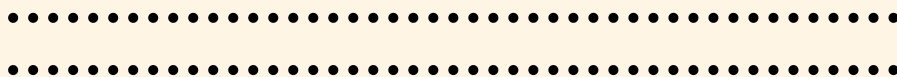

MISSION

- To empower students and enable them to rise above all constraints.
- To impart quality education that has holistic application in totality of life.
- To provide value-based learning that has far greater relevance in a dynamic and ever-changing work environment.
- To produce graduates capable of responding to the challenges of life in every possible way.
- To ensure punctuality and discipline in the college.
- To strengthen the infrastructure of the college.

OBJECTIVES

- To provide quality education and create lifelong opportunities for all to prepare young students to thrive and compete in the new digital age.
- To encourage innovations and innovative mindsets with strong academia and industry commitment for acquiring and upgrading their skill according to societal needs.
- To promote local languages, literature, music, art and craft with the active partnership and engagement with community and the society.

ABOUT THE COLLEGE

Government Degree College Jammu City (Paloura) was established via Government Order No. 269-HE of 2007 dated 20-12-2007 and it was decided that College would function in a newly constructed block of the Government Higher Secondary School, Paloura having two rooms. With the passage of time, requirements of the college increased and the authorities of the college decided to shift college from Higher Secondary School, Paloura to Govt. College of Engineering and Technology (GCET), Old University Campus, Canal road, Jammu and subsequently the same got shifted to the said location on 6th of Oct. 2009. It continued to function in makeshift accommodation at Canal Road, Jammu till March 2018.

The main building of the College was constructed in 2017 and in April, 2018, the College finally shifted to its own campus at Mishriwala. The College offers subjects in Arts, Medical and Non-Medical streams. The College has been granted permission to run Science stream (Medical and Non-Medical) from the session 2017-18. The College has successfully conducted two skill courses under Industrial Skill Training initiative. The courses were Soft Skills and Personality Development Course with Central University, Jammu and Course in Computer Concepts with NIELET, University of Jammu. The College has taken digital initiatives by providing Interactive Panels in five class rooms and also established one Browsing Centre.

The College also has one Girls Hostel that can accommodate 270 girl students from far flung areas. The College is running quite successfully in Curricular and Co-curricular activities in general and academics in particular. New subjects of Sanskrit and Public Administration have been introduced in the College and New Education Policy (NEP 2020) has been successfully implemented.

PRINCIPAL'S MESSAGE

It gives me immense pleasure to share a few words through this edition of our college newsletter. Our college is a vibrant community where knowledge, creativity, character, and leadership come together to shape the future of our students.

I would like to express my sincere appreciation to our students for their enthusiasm, dedication, achievements, and active participation in the academic and co-curricular activities of the college. Your hard work and determination are truly commendable and inspire us to strive for greater excellence.

I also extend my heartfelt gratitude to our dedicated teachers and staff members for their constant guidance, encouragement, and commitment to nurturing our students. Your efforts play an invaluable role in creating a positive and enriching learning environment.

A special word of appreciation goes to the Editorial Board for their creativity, teamwork, and meticulous efforts in bringing this newsletter to life. Your commitment in collecting, organizing, and presenting the achievements and activities of our college deserves special recognition. This newsletter is a reflection of the talent and spirit of our entire college community.

I encourage all our students to continue embracing opportunities, challenging themselves, and contributing positively to society. Let us work together to make our college a centre of learning, innovation, excellence, and meaningful growth.

I congratulate everyone who has contributed to this edition and wish the entire college community continued success.

Dr. Savi Behl
Principal

CONVENER'S MESSAGE

'KEEP YOUR EYES ON THE STARS AND YOUR FEET ON THE GROUND.'

This is what I tell every student who walks through the gates of our college. Our institution has, over the years, built a legacy of academic excellence, intellectual curiosity, and holistic growth. It has been a privilege to be part of a place that continues to nurture young minds and shape them into thoughtful, capable individuals.

The past year was an eventful one for the college, marked by both challenges and moments of pride. Despite the difficulties we faced, our students and faculty showed remarkable resilience, adapting to new ways of learning while staying committed to the values our institution stands for. It was heartening to see the college community come together, support one another, and continue striving for excellence even in uncertain times.

As Convener, I have had the privilege of witnessing the dedication of our faculty, the enthusiasm of our students, and the strength of the traditions that make this college what it is. I hope that in the years ahead, we continue to grow, innovate, and uphold the spirit of learning and camaraderie that has always defined us.
