From the Desk of the Principal

It gives me immense pleasure to welcome you to Government Degree College Paloura, an institution committed to academic excellence, holistic development, and the pursuit of knowledge with integrity and purpose. Our college stands as a vibrant centre of learning where young minds are nurtured to become responsible citizens, innovative thinkers, and compassionate leaders of tomorrow. In alignment with the vision of the National Education Policy (NEP) 2020, our institution strives to provide multidisciplinary, skill-oriented, and value-based education that prepares students to meet the challenges of an ever-evolving global society. The academic framework and co-curricular

programmes of the college are designed to encourage critical thinking, creativity, experiential learning, and holistic growth.

The college is equipped with a steadily developing and student-friendly infrastructure that supports effective teaching and learning. Spacious classrooms, well-equipped laboratories, a resourceful library, computer facilities, seminar halls, sports amenities, and a conducive academic environment collectively contribute to the intellectual and personal growth of students. We continuously endeavour to enhance our infrastructure and adopt modern educational practices to provide quality education and a stimulating campus experience.

At Government Degree College Paloura, education extends far beyond the classroom. Our students actively participate in a wide spectrum of co-curricular and extracurricular activities through various clubs, committees, and cells that enrich their personality and leadership qualities. The college takes pride in its active NCC and NSS units, which instill discipline, patriotism, social responsibility, and a spirit of community service among students.

The institution also promotes participation in literary, cultural, environmental, sports, and social awareness programmes through different clubs and cells, thereby fostering confidence, teamwork, creativity, and a sense of civic responsibility. These initiatives reflect our commitment to nurturing well-rounded individuals capable of contributing meaningfully to society.

Our dedicated faculty members, student-centric approach, and inclusive academic atmosphere inspire students to strive for excellence and lifelong learning. We firmly believe that education is not merely the acquisition of knowledge, but the transformation of character and vision. As Dr. A.P.J. Abdul Kalam wisely said, ***“Dream, dream, dream. Dreams transform into thoughts and thoughts result in action.”*** We encourage our students to dream big, work diligently, and pursue excellence with determination, discipline, and humility.

I warmly invite aspiring students to become a part of this enriching journey of learning, growth, and success.

With best wishes for a bright and promising future.

(Prof.) Dr. Savi Behl
Principal

The Uniform of the college for girls is white Kameez (Below the knees), white Salwar and white Dupatta (plain) and Black Sweater in winter and for Boys is Plain White Shirt, Plain Black Pant and Black Sweater in Winters. However, Pink Salwar, kameez and dupatta is allowed to married female students and pink dupatta to engaged female students.

If a student remains absent from the college without prior permission of the Principal for more than ten consecutive days, his/her name shall be struck off from the college rolls. Unlawful assembly of students in the college is prohibited. Writing on the walls or pasting posters is a grave offence.

Rules of Discipline

- Students are responsible for their conduct to the Principal and are prohibited from doing anything either inside or outside the college that will amount to a breach of discipline or interference in the discipline and normal working of the college. A student shall be liable to disciplinary action for violation of any of the rules of discipline. Disciplinary action may involve warning and/or suspension from classes, from the examination, from use of the College Library or even from the College.
- Students shall conduct themselves in a polite manner, both towards the members of the staff (teaching and administrative) and towards their fellow students. In subordination, unbecoming language or ungentlemanly conduct including teasing etc., shall be severely dealt with.

Ragging in any form, on or off the college Campus, including the hostel, is a serious offence and the students involved in ragging shall be severely punished (As per Supreme Court Ruling).

It has been impressed upon by the Hon'ble Supreme Court of India that if any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his/her explanation is not found satisfactory, the authority would expel him/her from the Institution.

Mobile Phones are strictly prohibited in the college campus for the students. Stern action will be taken against the students resorting to unfair means in the examination.

A student desirous of withdrawing his/her name from the college rolls should submit an application countersigned by the parents/guardian of the student. The withdrawal certificate shall be issued only after the student clear all the college dues. Such students shall not be re-admitted during the same academic session.

Any student, who indulges in any indiscipline in the college, shall not be eligible for any prize, certificate, college honour, award for scholarship from the institution. This shall apply to all the students including NCC cadets, NSS volunteers and players as well.

Identity Card

Every student, on being admitted shall be issued an identity card which he/She has to carry all the time and shall produce on demand by any member of the college staff anywhere in the college premises. Loss of the identity card should be reported immediately to the College authorities.

A new identity card is not ordinarily issued. However, after proper verification, a duplicate I-card can be issued against a payment of Rs. 100/-.

Identity card must be returned at the end of each session failing which an amount of Rs. 100/- shall be charged.

Scholarship/Financial AID

Scholarships and Financial Assistance

Our institution is committed to support the students in their academic journey through various scholarships and financial aid programs. Eligible students are encouraged to apply for the following scholarships offered by different government departments:

	Type of Scholarship	Funding Agency	Eligibility Criteria	Apply
1	National Merit/Minority Scholarship	Higher Education Department, J&K	Awarded on merit basis to students from minority communities who perform well academically.	https://scholarships.gov.in/
2	Post-Matric Scholarship	Social Welfare Department, J&K	For students belonging to SC/ST/OBC/RBA/Physically Challenged categories.	https://www.jk.gov.in/jkeservices/home
3	College Financial Aid (Student Aid Fund)	Government Degree College, Paloura	For underprivileged students of the General Category, including orphans, students from broken families, differently abled students, and those from economically weaker sections. Requires valid income/category-related documents.	Apply through Financial Aid Committee

Key Points:

- Scholarships are subject to verification of eligibility and timely submission of application forms.
- Students must maintain satisfactory academic performance and adhere to attendance norms to continue receiving scholarships.
- Application windows open at the beginning of the academic year. Students are advised to regularly check the official college notice board and website for updates.
- Assistance in filling out scholarship forms is available through the college's Scholarship Committees.

These scholarship schemes aim to ensure inclusive education, reduce financial burden, and encourage higher education among all sections of society.

Co-curricular & Extra Mural Activities

In order to provide opportunities to the students for self-development the following activities are organized in the College on regular basis:—

- (a) Debates, Symposia, Seminars, etc.
- (b) Literary meets and Group Discussions.
- (c) Essay/Paper writing and Quiz Competitions.
- (d) Cultural Programmes.

In order to strengthen and support the institutional activities in the college, various cells have been constituted. As per interest of the students, new projects are planned and implemented by the college administration through these cells.

NCC

NCC, which stands for National Cadet Corps, was formed in India in 1948 as a voluntary organisation which recruits cadets from high schools, colleges and universities all over India. The cadets are given basic military training in small arms and parades. In living up to its motto, 'Unity and Discipline', NCC strives to be and is one of the most significant cohesive forces of the nation, bringing together the youth hailing from different parts of the country and molding them into responsible and courageous citizens of the nation. The college has both NCC Boys and Girls wings with the enrollment of 50 students in both wings respectively. Enrolment of students to NCC is done at the time of admission. All the students who are physically fit are ordinarily enrolled as cadets. Regular parades (twice a week) are held under the supervision of the P.T. Staff of the Army and NCC officer. Complete uniform is issued to each NCC cadet. They have to be in their uniform in all the parade sessions. Selected NCC cadets participate in local RD parade. The cadets are trained in handling fire arms. The NCC cadets can qualify for 'B' and 'C' certificates after completing the required eligibility conditions and successfully passing the tests held by the NCC Directorate. NCC organization helps students to prepare themselves for the service of the nation in peace and war times.

NSS

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. NSS was formally launched on 24th September, 1969, the birth centenary year of the Father of the Nation. Therefore, 24 September is celebrated every year as NSS Day with appropriate programmes and activities.

It provides opportunity to the student youth of 11th & 12th Class of schools at +2 Board level and student youth of Technical Institution, Graduate & Post Graduate at colleges and University level of India to take part in various government led community service activities & programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. NSS of this College takes pride in its vast pool of immensely zealous volunteers who show a profound amount of initiative and eagerness in undertaking all kinds of social services, as well as identify and resonate with the cause and aim of NSS. Every Year college organizes Annual Camps to infuse among the volunteers, the spirit of selfless service and dedication to the cause of social reconstruction.

Women Development Cell

Women's Development Cell (WDC) of the college plays an active role in making the students aware of the problems faced by women and suggest ways and methods for their development in society. GDC Paloura sensitizes the college community on issues pertaining to women's rights, gender parity and empowerment. It attempts to sensitize and raise awareness of gender discrimination, women's rights, and empowerment concerns among the student and teaching communities. This cell deals with the problems exclusively faced by the female students. Experts from the Medical Department, Social Welfare Department and Women organizations are invited to deliver lectures on any issue of importance and problems faced by women students in the society.

Career Counseling Guidance & Placement Cell

The placement Cell is an integral part of the college which functions to ensure the best placements for the students graduating from this College. To remain competitive in today's world, being adept in one area will not suffice. One has to be familiar with other domains too. Spearheaded by able professionals with guidance from the Principal and Faculty members, Placement Cell works round the year and closely coordinates with recruiting teams from leading corporate houses to make sure that every student gets suitable openings once they finish their courses. Placement Cell has a perfect understanding of how the corporate world works and this helps in organizing events and programs that provide avenues for the students to get exposed to the real world of work.

Eco Club

Eco club is a platform on which we got the knowledge about environment. The meaning of an eco-club is a group who works to contribute to improving environmental conditions. They offer programs and activities to encourage others to reduce pollution, plant trees, and more. Eco club is a voluntary group of GDC Paloura students which promotes students in learning and improving their environment. An Eco-club is a means by which students and youth can organize themselves to learn more and this issue, and also take action to improve their immediate environment. Eco club will take up activities and programmes through Seminars, Paintings, Debates, Symposia, Cleanliness Drives etc. The main objective of Eco Club is to mobilize the students to undertake activities that help saving the environment for present and future generations of mankind. These Club co-ordinates with Government programmes under Mission LIFE

Road Safety Club

In order to create awareness among college students on road safety and to educate road users about the traffic rules, regulations and other road safety measures, a Road Safety Club is formulated in the college with a vision 'to reduce accidents and save lives'. Time to time various activities are being conducted in the form of :- Seminar, Traffic awareness rally, Poster, Quiz & Slogan Competitions, lectures from Traffic and Motor Vehicles Departments etc. to develop skills among the students for taking appropriate action in various traffic situations & assist Govt. in implementing Road Safety Programmes.

The students are selected for field activity once the admission process is completed. They are encouraged to take part in games of their own interest.

TOURS & PICNICS

Educational and Subject tours, are organized from time to time by the college. Students are taken on subject tours arranged by the concerned departments. Picnics in an academic year are held. Venues are decided by the mutual consent of the teachers and student's executive body jointly.

DEPARTMENT OF STUDENT WELFARE

Department of Student's Welfare acts as kind of liaison between the students and the College management. The Dean and Associate Dean of this department work for the welfare of the student community by organizing various activities that enrich their academic, literary, cultural and social life. This department in the beginning of each session, forms a Students Executive Body by electing representatives which works for the development of the institution in coordination with the Dean Student's Welfare.

STUDENT EXECUTIVE BODY

The college management through Department of Student's Welfare elects class representative from every section through an election process. Students' Executive Body is formed out of the students' selected as class representatives, which assist the college management in its functioning. It participate in policy making for students welfare. This body also helps in maintaining college discipline and guides the students to follow campus rules and regulations.

COLLEGE LIBRARY

The college library provides library facilities to its bonafide students. The college library is well furnished, and has a spacious reading room which promises a cool, calm and serene atmosphere for reading. A special text book section has been created in the library to help the poor and deserving students to borrow test books, whenever required. Students can borrow only two books at a time and retain with them for a maximum period of 15 days.

Salient Features of NEP2020

The National Education Policy 2020 (NEP2020) in India brings several significant changes compared to the prevalent education policy at the time of its introduction. Here are some key differences between the prevalent education policy and NEP2020:

- **Multidisciplinary Approach:** NEP2020 promotes a multidisciplinary approach to education, encouraging students to choose subjects across different disciplines and bridging the gap between arts, sciences, and humanities.
- **Reduction in Content Overload:** NEP2020 emphasizes reducing the content overload in the curriculum to focus on core concepts and critical thinking rather than rote memorization.
- **Skill Development and Vocational Education:** NEP2020 places significant importance on skill development and vocational education, aiming to provide students with practical skills and promote entrepreneurship.
- **Assessment Reforms:** NEP2020 advocates for a shift in assessment methods, aiming to move away from high-stakes examinations and focus on a more comprehensive and holistic assessment of student understanding and skills.
- **Inclusion and Equity:** NEP2020 emphasizes inclusion and equity in education, aiming to address gender and social disparities, provide equal opportunities for marginalized communities, and promote inclusive education for students with disabilities.
- **Research and Innovation:** NEP2020 recognizes the importance of research and innovation in education, encouraging the establishment of research centers.
- **Internationalization:** NEP2020 recognizes the significance of internationalization in education. It encourages collaborations and exchange programs between Indian and foreign institutions, promoting global exposure and cross-cultural learning.

Revised Statutes Governing Four Years Under Graduate Programmes (FYUGP) as per National Education Policy (NEP) 2020

Follow the Link given below:

<https://www.gdcpaloura.in/pdf2025/REVISED%20STATUTES%20UG%20PROGRAMME%20UNDER%20FYUGP%20SESSION%202026%20ONWARDS%20UNDER%20NEP%20-2020.pdf>

IMPLEMENTATION

NEP2020 is being gradually implemented across educational institutions in India, including University of Jammu. All the proposed changes may take time to fully integrate, but the policy aims to create a more inclusive, flexible, and relevant education system.

The undergraduate programme shall extend over four academic years (eight semesters). The students can exit with a:

1. Certificate after the completion of one academic year (two semesters);
